More youth and families are finding joy as they learn to overcome their difficult pasts and embrace a new and different future for themselves. Your commitment to our work has made a profound impact in lives of these young people.

The Power of the Purse event raised \$25,000 to continue The end of year matching fund campaign resulted in generous contributions that totaled over \$49,000 to continue providing safety, education and hope to vulnerable youth aging out of the orphan care system.
